IMPRESS

This beautiful new Rose, raised by Alex. Dickson & Son, and tested in this country for two years by Robert Scott & Son, Sharon Hill, Pa., has proved a first-class all the year forcer. It is of strong growth, of free flowering habit with glossy bronze green foliage and exceptionally distinct in its combination of colors. The bud is cardinal red, shaded orange, and as the flower develops the open flower is a beautiful salmon cerise. Petals 40 to 45. An outstanding characteristic of the variety is its lasting qualities.
